ORDER:

In the reference read above, the Chief Engineer (R&B) MDR, AP has furnished proposal for an amount of Rs.2.56 Crores for the work "Reconstruction of damaged causeway over Penna river in Km 1/8 to 2/4 of A-E Road to Vedurur Road in YSR District". He has stated that, A-E Road to Vedururu road is an important ODR one end connecting Khajipeta - Kamalapuram road (SH) and other end connecting Alladupalle Eturu road which leads to pilgrim centre Alladupalle Devalalu. This road provides shortest connectivity of two Mandal Headquarters i.e Kamalapuram & Chapadu. During recent monsoon, floods wreaked havoc in the Districts Kadapa & Kurnool in September 2019. Vented causeway is constructed across the Penna River to discharge the flood water. Because of flash floods into the Penna river, the existing causeway is washed out in the flood water. Access for more than 10 village people to their Mandal Headquarters and side by villages has been lapsed. There is no scope for movement of traffic over the road dam and the traffic got interrupted. Temporary restoration of traffic work over Penna River is executed under Flood Damage Repairs. Failure of the existing causeway over Penna river at km 1/8 to 2/4, resulting from a quick condition and piping in foundation soils due to high seepage pressure, is highly dangerous. If piping is not halted it may result in a catastrophic collapse of the structure. Hence downstream apron along with cut-off walls at the starting and ending of the causeway is proposed in the estimate to safeguard against the scour. The provisions made in the estimates are as required based on the site conditions. With that, he has requested to accord administrative sanction for the said work under MDR Plan.

2. In the circumstances reported by the Chief Engineer (R&B) MDR, Vijayawada in the reference read above and after careful examination of the matter, Government hereby accord administrative sanction for an amount of Rs.2.56 Crores (Rupees Two Crore Fifty Six Lakhs only) for the work "Reconstruction of damaged causeway over Penna river in Km 1/8 to 2/4 of A-E Road to Vedurur Road in YSR District" under MDR plan in relaxation of FRBM norms.

3. The amount sanctioned in the Para (2) above, shall be met from the Head of Account "5054 COL on Roads & Bridges – 04 District and Other roads – MH 337 Other Expenditure - GH 11 State Development Schemes - SH (09) Major District Roads – 530 Major works - 531 Other Expenditure".

4. The Chief Engineer (R&B) MDRs, AP., Vijayawada, shall take further necessary action in the matter.

5. This order issued with the concurrence of Finance (FMU.TR&B) Dept., vide their U.O.No. FIN01-FMUOMRAS/125/2020-FMU-TR-B(Computer No.1173591) dt.29.06.2020.
